

## **HEALTH & SAFETY POLICY**

QBS Learning will ensure that effective measures are in place to protect the Health and Safety of their employees and the employees/representatives of the owners, contractors and sub-contractors and all those who are at or around its workplace.

Occupational Health and Management System (ISO 45001:2018) will be the basis of QBS Learning Health and Safety program.

QBS Learning will follow its Health and Safety program by periodically reviewing it and by inserting any new regulatory requirements.

QBS Learning will make its employees aware of and comply with relevant Health and Safety legislation by working within rules and established procedures.

QBS Learning will achieve its Health and Safety and Accident Prevention objective and improve them through orientation, group discussion, training, planning and encouraging cooperation with employees to eliminate or control hazards at work.
